

# MY SPIRITUAL JOURNEY CONTRACT

I, \_\_\_\_\_,

declare I must lead in every area of my life. I will no longer settle for living a life less than what I know God's called me to live. I have had enough experiences living less than my best.

I know it's my TIME TO CHANGE. God has set me up for success.

I will dedicate myself to enrich the quality of my life from what it is right now. I will persevere under any circumstance to act upon the healthy mindsets outlined in this book, which are going to empower me. I will not leave any healthy perspective unlearned, and will relentlessly work to empower my life and push beyond my known limits into God's marvelous provision.

I am responsible for shaping my destiny and entrust my ability to see this book through. I understand that the only way to real success is by having an excellent state of mind, and I'm willing to vigorously work to create and enhance it. I am ready to LOVE MY LIFE in the never-ending journey of self-growth, using the unlimited power of the Holy Spirit.

I am ready to attain a burning desire, compelling vision, and a passion for life that only God can provide.
